

EARLY NEIGHBORHOOD NOTIFICATION MEETING

August 26, 2020

Dear Neighbor:

The City of Santa Fe is designing improvements at the intersection of Sandoval Street and Montezuma Avenue to improve traffic flow and pedestrian and bicycle safety. This new roadway project is being designed by Wilson & Company – an engineering design firm hired by the City's Public Works.

The City of Santa Fe requires an Early Neighborhood Notification (ENN) meeting be conducted for city's capital infrastructure projects. It is intended to provide opportunity for the community to review, comment, and provide significant feedback on city's capital infrastructure projects before plans become too firm to respond meaningfully to community's concerns.

In this regard, we wish to inform you that an **online ENN meeting** using GoToMeeting, hosted by Wilson & Company, is scheduled for:

Time: 5:30 PM

When: Tuesday, September 16, 2020

Where: <https://global.gotomeeting.com/join/333080869>

United States (Toll Free): 1 877 309 2073

Access Code: 333-080-869

United States: +1 (571) 317-3129

Access Code: 333-080-869

Members of the public may attend the GoToMeeting meeting on a computer, mobile device, or phone. The video conference link and teleconference number will be posted on the City of Santa Fe's Calendar of Events website at least seventy-two (72) hours before the meeting: <https://www.santafenm.gov/events>.

Public Comment:

- By video: A person attending the meeting by video conference (using a computer, mobile device, or smart phone) may provide public comment during the meeting. Attendees should use the "Raise Hand" function to be recognized by the facilitator to speak at the appropriate time. Please take the time to read the GoToMeeting Guide at <https://support.goto.com/meeting/new-gotomeeting-guide> especially if this is the first time you will be attending a meeting.
- By phone: A person attending the GoToMeeting by phone may provide public comment during the meeting but must provide advance notice to Tyler Ashton, Civil Engineer (505-348-4121), Tyler.Ashton@wilsonco.com no later than Friday, September 11, 2020, and provide your full name, address, and the phone number you will be using to call in to the teleconference. Without your phone number, the meeting facilitator will not be able to recognize you to speak at the meeting.
- In writing: A person may submit written public comments in advance of the meeting by email (Tyler.Ashton@wilsonco.com), or by U.S. Postal Service (Wilson & Company, ATTN: Tyler Ashton, Civil Engineer, 4401 Masthead Street NE, Suite 150, Albuquerque, NM 87109). Please include your full name and address. To be included in the official record and considered at the meeting, written public comment must be received no later than Friday, September 4, 2020.

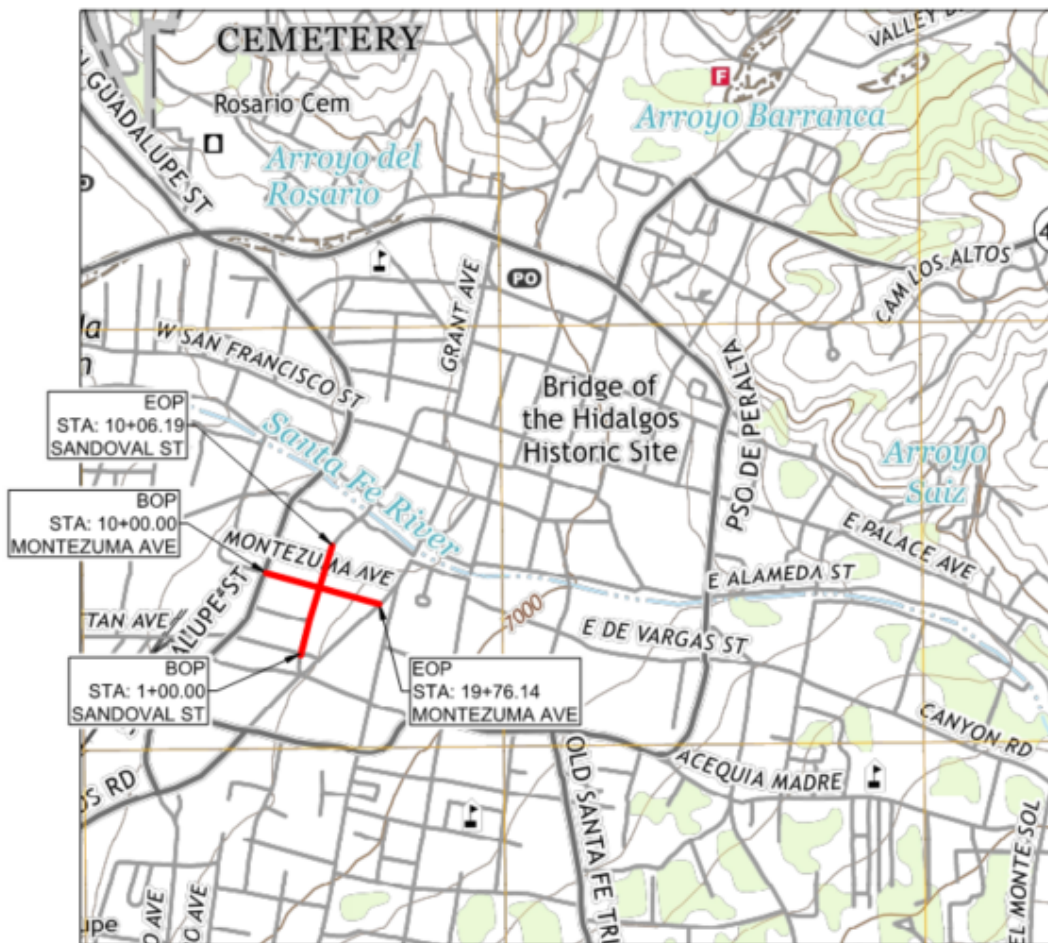

Attached, please find a vicinity map and proposed site plan. If you have any questions or comments, please contact Tyler Ashton at (505) 348-4121 or via email at Tyler.Ashton@wilsonco.com.

Sincerely,
Tyler Ashton
Civil Engineer
