Amendment #1 of the 2020-2045 Santa Fe Metropolitan Transportation Plan Approved on November 19th, 2020 by the Santa Fe MPO Transportation Policy Board

In accordance with 23 U.S.C. 450.334, the New Mexico Department of Transportation (NMDOT), and the Santa Fe Metropolitan Planning Organization (SFMPPO) for the Santa Fe urbanized area hereby certify that the transportation planning process, specifically the first formal amendment to the 2020-2045 Santa Fe Metropolitan Transportation Plan meets the requirements of 23 CFR 450.324 detailing the requirements of the MTP and the amendment process. Specifically, the City of Santa Fe requested an approximate 2 mile segment of Bishop's Lodge Road and two lane roadway be included as a "Roadway Reconstruction" project to the MTP list of fiscally constrained projects. The project is estimated to cost \$5 million and will require preliminary engineering to determine specific cost estimates and it is intended to include drainage, sidewalk, curb and gutter and bike lanes.

The MTP also meets the Performance-Based Planning and Programming (PBPP) requirements established in 23 CFR 450.326(d), 49 CFR 625, and 49 CFR 630 with the inclusion of adopted Performance Targets of the Santa Fe MPO for Performance Measure 2 (Safety), Performance Measure 2 (State of Good Repair), Performance Measure 3 (System Performance), and Transit Asset Management. The MTP was developed by the Santa Fe MPO in accordance with the Santa Fe MPO Public Participation Plan and the Santa Fe MPO Title VI Plan. The Santa Fe MPO also certifies that the transportation planning process is addressing the major issues in the metropolitan planning area and is being conducted in accordance with all applicable requirements of:
