

PUBLIC MEETING ANNOUNCEMENT

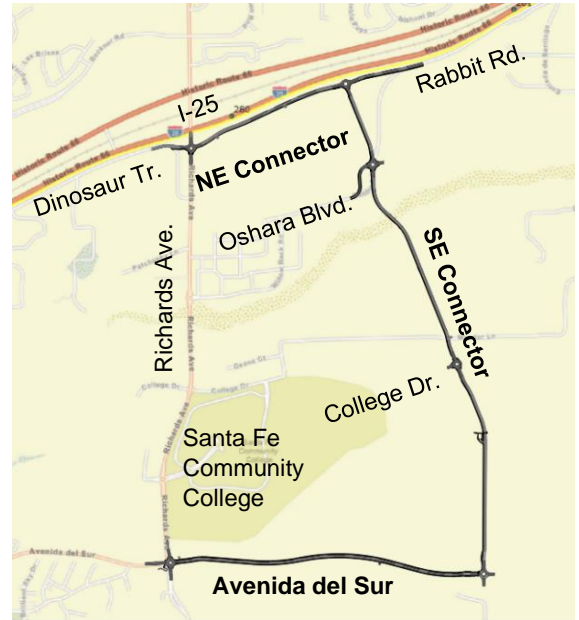

for the

Northeast and Southeast Connector Roads Project

Santa Fe County is hosting a Virtual Public Meeting to provide a project update and answer questions on the Northeast (NE) and Southeast (SE) Connector Roads Project in Santa Fe County, New Mexico.

- The NE connector will realign existing Rabbit Road to become the I-25 south-side frontage road between Richards Avenue and St. Francis Drive. It will extend south of I-25 from Dinosaur Trail to Rabbit Road.
- The SE Connector will extend south-southeast from the NE Connector along a PNM powerline easement to just south of College Drive and continue south to the Avenida del Sur intersection. From that point, it will proceed west along Avenida del Sur to Richards Avenue.

The project is the result of more than 20 years of planning, culminating with the design and upcoming construction of the NE-SE Connector Roads. The **purpose of the Virtual Meeting** is to present information on the current project status and upcoming time frames, and to answer questions. The meeting will involve a short presentation followed by a question-and-answer session.

Join the Virtual Public Meeting
Wednesday, April 27, 2022
Starting at 6:00 PM (MST) via Zoom

REGISTER at: bit.ly/sfconnectors

Register in advance using the link above. A confirmation email will then be provided containing information on how to join either using Zoom or by telephone.

To Request Meeting Assistance: Contact John Taschek at (505) 980-0993.
