2. ITEMS FOR DISCUSSION AND POSSIBLE ACTION

A. RELEASE FOR 15 DAY PUBLIC COMMENT: FORMAL AMENDMENT #4 TO SFMPO FFY 2022-27 TIP

Ms. Yngve said this is an amendment to the Arroyo Hondo Segment 1 project, specifically the railroad station to 14. \$278,380 has been added to the project and will be paid with CMAQ funds.

Ms. Glorioso-Moss asked how long is the trail.

Ms. Yngve said it is around 1 mile. She will follow up with Ms. Glorioso-Moss with the exact length.

Chair Clavio commented that he understood that there were a couple of tunnels that increased the costs.

MOTION A motion was made by Ms. Glorioso-Moss, seconded by Mr. Kavanaugh, to approve the release for 15 day public comment, formal amendment #4 to the 2022-27 TIP.

VOTE The motion passed on a roll call vote as follows:

Mr. Alvarado, yes; Mr. Gibson, yes; Ms. Glorioso-Moss, yes; Mr. Kavanaugh, yes; Mr. Javier Martinez, yes; Mr. Tomas Martinez, yes; Mr. Trujillo, yes.

3. MATTERS FROM MPO STAFF

Mr. Aune said we are in possession of the draft Local Road Safety Plan. If you

want to review it we have a week to comment. We are very pleased with the work project and the level of detail. It is a good Plan for Santa Fe City and County.

Ms. Yngve reported that the MPO is planning another pop-up, protected bike lane on August 13th. It will be during movie night at Ragle Park on Yucca. We are promoting it as Bike and Movie Night.

Mr. Aune asked that the MPO-TCC members update the group as to what they are working on and planning.

Chair Clavio said the County just kicked off, with the Tribal Council, the safety study around the Tesuque Pueblo area. We are looking forward to working with them. There are multi-modal problems there. We are working with the City on its plans for that area as well.

Chair Clavio continued saying, we are entering the second phase bid for the NE/SE connector. We are in the RFP process, and expect a proposal mid September, with a start date of October 1st.

Ms. Glorioso-Moss said she is managing twenty projects. Sixteen projects are roadway intersections and four are drainage projects. We are completing the review of Guadalupe Street and the bridge for a project with NMDOT, and are hoping to begin the project in October. We are ready for construction on Pinada Rincon. Some of the other projects are in the design phase.

Mr. Gibson said the NCRTD has quite a few projects happening now. The Espanola Maintenance Facility will be completed this month. The Taos Maintenance Facility is in the design phase, and is at 90%. The electric bus procurement is underway. We are looking at purchasing ten vehicles - six 40 foot transit vehicles and four vans for our demand service. We are in the process of constructing 21 new bus stops, using our award of \$1.2 million in TAP funds. We are connecting our on-demand service to micro transit, which essentially is Uber for transit.

Mr. Gibson continued, saying we are working on our long range planning now and are planning to hold public meetings over the next few weeks. He will share the flyers with everyone. Mr. Aune is helping us by doing some publicity about that. We will be in four counties. The Santa Fe public meeting will be on August 1st. We would love to have your feedback about where you see the RTD in the next twenty years and on current transit.

Chair Clavio commented that there are a lot of exciting projects going on.

4. MATTERS FROM TCC MEMBERS

Mr. Javier Martinez said he would like to give an update on NMDOT. We kicked off our \$40 million La Bajada project. It will take the next three construction seasons to complete. We will maintain two lanes during peak periods. We have blocked out the scheduled dates for specific major events such as Indian Market, Spanish Market, Fiestas and the Balloon Fiesta. The speed limit will be 55 miles per hour at all times.

Mr. Javier Martinez continued, saying NM 41 is under construction now, and Galisteo to US 25 will be completed next summer. We have a study being done for Cerrillos Road from St. Michaels to St. Francis. The St. Michaels interchange with St. Francis study is underway as well. The Hyde Park Road study is happening now and is to improve multi-modal access.

5. NEXT TCC MEETING AUGUST 22, 2022

6. ADJOURN

There being no further business before the Committee, the meeting adjourned at 2:00 pm.
