Santa Fe MPO Staff Report

Technical Coordinating Committee: June 20, 2023

Matter of Approval: Release 2024-2029 Draft Transportation Improvement Program (TIP) for Public Review

Background:

The TIP is a formally adopted list of federally funded and regionally significant transportation projects in the MPO area. It is one of our required and essential work products. The TIP includes all surface transportation projects funded with federal funding and all regionally significant projects, even if funded by state or local dollars.

The Santa Fe TIP covers a period of six years, and the first four years are fiscally constrained; meaning funds are identified for those projects. Years five and six of the TIP are not required to be fiscally constrained and are used for planning purposes until a project is ready to move to the first four fiscally constrained years. All projects in the TIP must be included in and/or consistent with the MTP.

The draft 2024-2029 Transportation Improvement Program (TIP) is attached. All projects in the draft 2024-2029 TIP were also included in the 2022-2027 TIP.

In addition to 30 day public review, the MPO will also hold a public input meeting on July 21st, 5pm to 6pm.
